PROJECTS

Microsoft Design Expo

CARNEGIE MELLON UNIVERSITY, PITTSBURGH, PA | SPRING 2017 - PRESENT

- + Ongoing team project sponsored by Microsoft in preparation for their summer Design Expo
- + Conducting exploratory research and concept generation to develop solutions in the space of Mixed Reality

EXPERIENCE

Design Strategist Intern

DEZUDIO, PITTSBURGH, PA | SUMMER 2016

- + Developed a mobile application concept for Dezudio examining opportunities in enriching family sharing experiences
- + Conducted exploratory user research, concept development and synthesis, and presented findings to project sponsors
- + Created wireframes and high-fidelity user interface elements for the design

Design Lead

BLASTRADIUS (NOW BLASTPOINT), PITTSBURGH, PA | 2016

- + Collaborated with a team of business analysts and software developers to design the user interface and experience of the mobile application
- + Created the visual identity and style for BlastRadius
- + Won first place in the 2016 CMU McGinnis Venture Competition (\$25,000 prize)

Graduate Research Assistant

CARNEGIE MELLON UNIVERSITY, PITTSBURGH, PA | 2015 - PRESENT

- + Research aide to professor Molly Steenson with focus on the intersection of AI and design

Graphic Design & Marketing Assistant

CORNELL UNIVERSITY CAMPUS LIFE, ITHACA, NY | 2013 - 2014

- + Designed posters, menus, and other advertising materials for campus dining venues and student life events

Accessories Design Intern

DIANE VON FURSTENBERG, NEW YORK, NY | SUMMER 2013

- + Created the 'Marmite' cat design that appeared on a limited edition accessories collection for the 2013 Winter DVFxHVN collaboration
- + Researched accessories trends and produced mood boards for design leads
- + Created low-fidelity accessories prototypes with digital and manual renderings

Research Assistant

PERSONALITY, CONTROL, ATTACHMENT LAB, CORNELL UNIVERSITY, ITHACA, NY | 2012 - 2013

- + Ran social psychology experiments in controlled lab environments and collected data for researchers
